New Transparency Platform: Project Overview

START OF THE NEW TRANSPARENCY PLATFORM

*"Now this is not the end.
It is not even the beginning of the end. But it is, perhaps, the end of the beginning."*

Winston Churchill

BULGARTRANSGAZ

New Transparency Platform:
Project Overview

WHAT IS GOING ON

- ✓ Regular updates of dynamic parameters
- ✓ Actualization of the relatively 'static' indicators
- ✓ Verification and correction of the published information
- ✓ Monitoring and compliance with the market and regulatory requirements

Project Overview

PROJECT STATISTICS

3600   men-hours of BTG staff invested in the project;

7   of BTG departments involved in the project;

2   requests for changes of internal IT systems, applicable for cost recovery by the NRA, ordered to external service provider;

8478   files generated and migrated by BTG on the New TP over the period 1 October 2013 – 1 October 2014;

50   issues reported by BTG during the testing period of the New TP;

189   total number of issues opened by all TSOs and solved during testing period – many of them required multilateral efforts:
- from TSOs teams;
- from ENTSOG (Manager and Project Owner);
- from TRA WG (Transparency Subject Manager);
- from the TP Solution Provider.
