ENTSOG publishes the CAM Network Code 'Capacity Auction Calendar' for 2020/21

(Brussels, 18 December, PR0197-19) **The 'Auction Calendar' for 2020/21, which contains information on specific capacity auctions, is now available on ENTSOG's website.**

The Network Code on Capacity Allocation Mechanisms requires ENTSOG to publish an Auction Calendar for each calendar year. This calendar provides all relevant timings for auctions, including starting dates and standard capacity products to which they apply.

Key auction dates for firm capacity are:

- Annual yearly capacity auction – 6 July 2020
- Annual quarterly capacity auctions – 3 August 2020, 2 November 2020, 1 February 2021 and 3 May 2021
- Rolling monthly capacity auctions – third Monday of M-1
- Rolling day-ahead capacity auctions – D-1, 14:30 (UTC) during daylight saving time, 15:30 (UTC) during winter time
- Within-day capacity auctions – each hour for the period starting from +4 hours until the end of the gas day

Dates for interruptible capacity auctions are also included and must be considered as the European standard defaults.

The Auction Calendar is available [here](#).
