

Press Release

Gas TSOs of the North West Region publish the 4th edition of their Gas Regional Investment Plan

(Brussels, 23 June 2020, PR0210-20) **The TSOs of the North West Region are pleased to announce the publication of the fourth edition of their Gas Regional Investment Plan (NW GRIP).**

The GRIPs are prepared to promote regional cooperation as enshrined in EU Directive 2009/73/EC (Article 7), and further detailed by Article 12 of Regulation 715/2009. The aim of the NW GRIP is to supplement ENTASOG's EU-wide Ten-Year Network Development Plan 2018 (TYNDP 2018) by providing additional information, specifically on the North West Region.

The report covers the two topics of main interest in the North West Region - it gives an insight into the ongoing energy transition by listing some of the initiatives TSOs are involved in and secondly, the report zooms in on the L-gas developments and the related infrastructure conversion needs.

The NW GRIP is the result of close cooperation between the TSOs from 10 countries of the North West Region, under the coordination of Fluxys and GTS.

The NW Region's TSOs hope that this report will provide useful information to all stakeholders and would welcome any comments or feedback that could assist in improving the future editions of this report.

For any further queries or suggestions, all interested parties are kindly requested to contact Geert Smits (geert.smits@fluxys.com) and Jan Albert Laverman (J.A.Laverman@gastransport.nl).

The full report is available on [ENTSOG's website](#).

Should you require any further information, please contact Ms. Carmel Carey (+32 2 894 5136, ENTSOG.Communications@entsog.eu).

Editorial notes

- > **European Network of Transmission System Operators for Gas (ENTSOG)** was founded on 1 December 2009 in line with Regulation (EC) 715/2009 to promote the completion of the internal market for gas by facilitating cooperation between national gas transmission system operators (TSOs) across Europe and in line with European Union energy goals. More information can be found on the ENTSOG website – www.entsog.eu. The current number of Members, Associated Partners and Observers can be found at www.entsog.eu/members.
- > The NW GRIP Region covers 10 countries: Belgium, Denmark, France, Germany, Ireland, Luxembourg, Sweden, the Czech Republic, the Netherlands and United Kingdom.
