

WE ARE SEEKING AN INVESTMENT ADVISER IN BRUSSELS!

We are seeking candidates for the
ENTSO System Development Team in Brussels.

**APPLY NOW -
THE INTERVIEW WILL TAKE PLACE IN Q4 2020!**

ENTSOG IS RECRUITING! HERE IS WHY YOU SHOULD JOIN:

- ▲ Gain valuable experience and skills of the European gas market and gas infrastructure,
- ▲ Be close to high level EU decision making
- ▲ Work and live in a dynamic, international environment

THE ROLE OF ENTSOG

The role of ENTSOG is to facilitate and enhance cooperation between national gas transmission system operators (TSOs) across Europe to meet European Union energy goals. Its objectives are to promote the completion of the internal market for gas and stimulate cross-border trade, ensure the efficient management and coordinated operation of the European gas network and facilitate the European network's sound technical evolution.

ENTSOG is comprised of seconded staff from its members and therefore the organisation is constantly under dynamic change and ready to offer new opportunities. The ENTSOG staff currently consists of approximately 43 people of 18 different nationalities and representing 15 companies, which provides a unique and challenging international working environment.

ENTSOG ARE SEEKING CANDIDATES FOR THE FUNCTION OF INVESTMENT ADVISER IN THE SYSTEM DEVELOPMENT TEAM

ABOUT YOUR ROLE AS INVESTMENT ADVISER

ENTSOG is looking for candidates that have relevant experience in investment planning including system needs assessment and project Cost Benefit Analyses.

The candidate will focus on development of **Ten-Year Network Development Plans (TYNDPs)** and related methodologies, will provide **support on PCI process** led by European Commission and support TSOs on **Gas Regional Investment Plans**.

SYSTEM DEVELOPMENT TEAM

THE ENTSOG SYSTEM DEVELOPMENT AREA IS RESPONSIBLE FOR:

- (1) **Building scenarios, together with ENTSO-E (cooperation between TSOs for electricity), for all EU energy demand and supply,**
- (2) **investment planning, making the ENTSOG Ten-Year Network Development Plan every two years, including system needs assessment and project Cost Benefit Analyses and**
- (3) **the related models, outlooks/reviews and maps.**

To fulfill the future challenges the System Development Team needs to (re)invent the required approach, spanning cooperation between electricity and gas, scenario building, investment assessment and network and market modelling, in close cooperation with market, system operation and policy and communication areas of ENTSOG, our member TSOs, other associations, European Commission, ACER, and stakeholders ranging from energy market parties to climate oriented NGOs.

CANDIDATE REQUIREMENTS

The Candidates will be **based in Brussels** and should be ready to **start work as soon as possible**, at the latest in January 2021. **Fluent English, both in speaking and in writing is essential.** Appointees from ENTSOG Members will be seconded based on a contract between ENTSOG and the seconding TSO, usually for a period of typically 3 years.

Some of the key responsibilities of this Adviser role includes **leadership and support** for internal working groups, **liaison** with ENTSOG Members and stakeholders, as well as **participation in processes** led by the European Commission, ACER and other European authorities. Candidates seconded from TSOs are preferred.

CANDIDATES SHOULD HAVE:

- ▲ Knowledge in economics of infrastructure projects,
- ▲ advanced knowledge of MS Excel,
- ▲ excellent organisational and prioritisation skills,
- ▲ excellent ability to summarise and see the big picture and
- ▲ strong analytical skills and a result-oriented mind.

Understanding of gas/electricity interactions and specific gas/electricity system dynamics would be a plus.
