Changes to the Transparency Publications due to the German Market Merger in 2021

ENTSOG 14th Transparency Workshop 19 November 2020

Julia Pola, ONTRAS Gastransport GmbH

Online

Introduction

- The existing market areas **GASPOOL** and **NetConnect Germany** will merge to one German market area on 1 October 2021
- The new German market area is called **Trading Hub Europe** (THE)
- Further information about the market merger in general can be found on the following homepage:
<http://www.marktgebietzusammenlegung.de/en/home/>

Changes to tariff publications

- Due to the market area merger, the tariffs for the German network points will change from 1 of October 2021
- Changes will take place during the current tariff period 2021
- Example from ENTSOG TP with remarks

Changes in duration of network points

Market area connection points:

- The former market area connection points between GASPOOL and NetConnect Germany will no longer be bookable and therefore no longer be relevant points from 1 October 2021
- For these points, only historical data will be published from 1 October 2021 for 5 years backwards

Virtual Interconnection Points (VIP):

- For some existing VIPs of former separate market areas, changes to transparency publications will occur due to the merger via new VIPs for THE
- Changes to transparency publications will most likely be similar to the implementation of the already formed VIPs
- The German TSOs have informed network users about the implementation of the new VIPs on their homepages on 16 October 2020
