

ENTSOLOG IS RECRUITING!

We are seeking a candidate for the Strategy, Policy and Communication (SPC) Team

POLICY/REGULATORY ADVISER

THE ROLE OF ENTSOG

ENTSOLOG has been established to **facilitate and enhance cooperation between national gas transmission system operators (TSOs)** across Europe to meet European Union energy and climate goals. Its objectives are to promote the completion of the internal market for gas and stimulate cross-border trade, ensure the efficient management and coordi-

nated operation of the European gas network and facilitate the European network's sound technical evolution.

ENTSOLOG offers a diverse office environment, with colleagues from all over Europe.

ABOUT YOUR ROLE AS POLICY/REGULATORY ADVISER

ENTSOLOG has defined its strategic objectives for **dialogue with the gas value chain stakeholders** and with the **emerging hydrogen value chain** to align with European Green Deal priorities. ENTSOG looks forward to the **establishment of the regulatory framework** to clearly embrace methane, hy-

drogen and blending pathways for EU energy sector decarbonisation with gas grids. **Your role would support the SPC team and other ENTSOG business areas to meet these goals.**

APPLY NOW – THE INTERVIEWS WILL TAKE PLACE IN OCT/NOV 2021!

CANDIDATE REQUIREMENTS

The Candidate will be **based in Brussels** and should be ready to **start work as soon as possible, preferably by December 2021**.

Candidates from ENTSOG Members (gas TSOs) are preferred: such secondment contracts are typically for a period of minimum 2–3 years. Candidates not applying from an ENTSOG Member will if selected be offered a two-year contract.

SOME OF THE KEY RESPONSIBILITIES OF THIS ADVISER ROLE INCLUDE:

- ▲ Supporting SPC Director and General Director in ensuring timely delivery on ENTSOG's policy processes, including the EU Green Deal priorities,
- ▲ Monitoring of regulatory and policy related developments and supporting the development of ENTSOG policy positions, in close cooperation with ENTSOG business areas
- ▲ Stakeholder management, as outlined in ENTSOG stakeholder engagement plan
- ▲ Leading, coordinating and supporting internal working groups, including ENTSOG and Board Members
- ▲ Supporting ENTSOG internal and external meetings, e.g., briefings, speaking points, presentations
- ▲ Co-managing ENTSOG social media accounts – LinkedIn and Twitter

CANDIDATES SHOULD HAVE:

- ▲ An university degree in International Relations, Law, Political Science, Economics or equivalent by proven experience,
- ▲ at least five years' gas and hydrogen industry experience, preferably in a TSO regulatory environment,
- ▲ strong policy/regulatory background, knowledge and ability to analyse and monitor regulatory text,
- ▲ proven ability to manage multiple projects, and to identify and establish priorities,
- ▲ strong team working/cooperative skills within the SPC team and with the other ENTSOG teams,
- ▲ spoken and written fluency in English.
