

ENTSOLOG IS RECRUITING!

We are seeking candidates for the ENTSOG Strategy, Policy and Communication (SPC) Team

REGULATORY AFFAIRS MANAGER

THE ROLE OF ENTSOG

ENTSOLOG has been established to **facilitate and enhance cooperation between national gas transmission system operators (TSOs)** across Europe to meet European Union energy and climate goals. Its objectives are to promote the completion of the internal market for gas and stimulate cross-border trade, ensure the efficient management and coordi-

nated operation of the European gas network and facilitate the European network's sound technical evolution. ENTSOG offers a **diverse office environment, with colleagues from all over Europe** working actively on transition from natural gas to hydrogen, biomethane and on CO₂ transportation.

ABOUT YOUR ROLE AS REGULATORY AFFAIRS MANAGER

ENTSOLOG has defined its strategic objectives for dialogue with the gas and electricity chains stakeholders and with the emerging hydrogen value chain and CCUS value chain to align with upcoming European priorities.

ENTSOLOG looks forward to the establishment of the regulatory framework to clearly embrace natural gas, hydrogen and blends for EU energy sector decarbonisation with gas grids. **Your role would be included into Strategy Policy and Communication (SPC) team and coordinate with all ENTSOG business areas to meet these goals.**

APPLY NOW – THE INTERVIEWS WILL TAKE PLACE IN JUNE 2023!

CANDIDATE REQUIREMENTS

The Candidate will be **based in Brussels** and should be ready to **start work as soon as possible at the latest in Q3 2023**.

Appointees from ENTSOG Members will be seconded based on a contract between ENTSOG and the seconding TSO, usually for a period of 3 years. Appointees outside the TSOs will negotiate the contract conditions and duration.

RESPONSIBILITIES AND TASKS:

- ▲ Contributing to ENTSOG Regulatory Deliverables and on the energy transition related activities;
- ▲ Supporting SPC Director and General Director in ensuring timely delivery on ENTSOG's policy processes;
- ▲ Monitoring of regulatory and policy related developments and supporting the development of ENTSOG policy positions, in close cooperation with ENTSOG business areas;
- ▲ Stakeholder management, as outlined in ENTSOG stakeholder engagement plan for dedicated process;
- ▲ Leading, coordinating and supporting internal working groups, including ENTSOG's own and external groups like Clean Hydrogen Alliance and Future of Gas Grids Panel;
- ▲ Supporting ENTSOG internal and external meetings, e. g., briefings, speaking points, presentations;
- ▲ Preparing the relevant communication feeds, including for ENTSOG (social) media.

CANDIDATES SHOULD HAVE:

- ▲ University degree in International Relations, Law, Political Science, Economics or equivalent by proven experience;
- ▲ Proven track record in the European Energy and Climate Policy, EU Infrastructure and Industry policy and European level value chains cooperation;
- ▲ At least five years' gas and hydrogen industry experience, preferably in a TSO regulatory environment;
- ▲ Strong policy/regulatory background, knowledge and ability to analyse and monitor regulatory/legal text;
- ▲ Proven ability to: manage regulatory, communication and stakeholder engagement multiple projects; identify and establish priorities; execute on timelines, scopes and synergies between processes and participants;
- ▲ Strong team working/cooperative skills within the SPC team and with the other ENTSOG teams;
- ▲ Spoken and written fluency in English.
