

ENTSOG IS RECRUITING!

We are seeking a candidate for the ENTSOG Market Team

MARKET ADVISER

THE ROLE OF ENTSOG

ENTSOG has been established to **facilitate and enhance cooperation between national gas transmission system operators (TSOs)** across Europe to meet European Union energy and climate goals. Its objectives are to promote the

completion of the internal market for gas and stimulate cross border trade, ensure the efficient management and coordinated operation of the European gas network and facilitate the European network's sound technical evolution.

ENTSOG offers a diverse office environment, with colleagues from all over Europe.

ABOUT YOUR ROLE AS MARKET ADVISER

In your new role, you will contribute to our **work on development of upcoming EU legislation** and feed into the **debate on market aspects of the energy transition**.

APPLY NOW – INTERVIEWS WILL BE TAKING PLACE IN OCTOBER 2025!

CANDIDATE REQUIREMENTS

The Candidate will be **based in Brussels** and should be ready to start work **in Q4 2025/Q1 2026**

Candidates from ENTSOG Members will be preferred and will be seconded based on a contract between ENTSOG and the seconding TSO, usually for a period of 3 years.

SOME OF THE KEY RESPONSIBILITIES OF THIS ADVISER ROLE INCLUDE:

- Monitoring of EU gas network codes and guidelines implementation
- Supporting members in topics related to regulation and energy transition
- Analysing regulatory and policy related developments
- Managing ENTSOG's internal working groups
- Preparing reports, position papers and other documents
- Support processes led by the European Commission, ACER and other European authorities (e. g. workshops, exchanges, consultations) and delivering input.

CANDIDATES SHOULD HAVE:

- University degree (or equivalent),
- minimum of 3 years' experience in an energy related role,
- a good understanding of the European gas market,
- a high-level appreciation of EU energy regulation and the EU gas network codes and guidelines,
- a solid understanding of the potential future market developments and related issues,
- good analytical and data presentation skills,
- proven ability to manage multiple projects and establish priorities,
- an open minded and flexible approach, with the ability to find compromises among diverse opinions,
- excellent written and presentation skills in English.
