Process

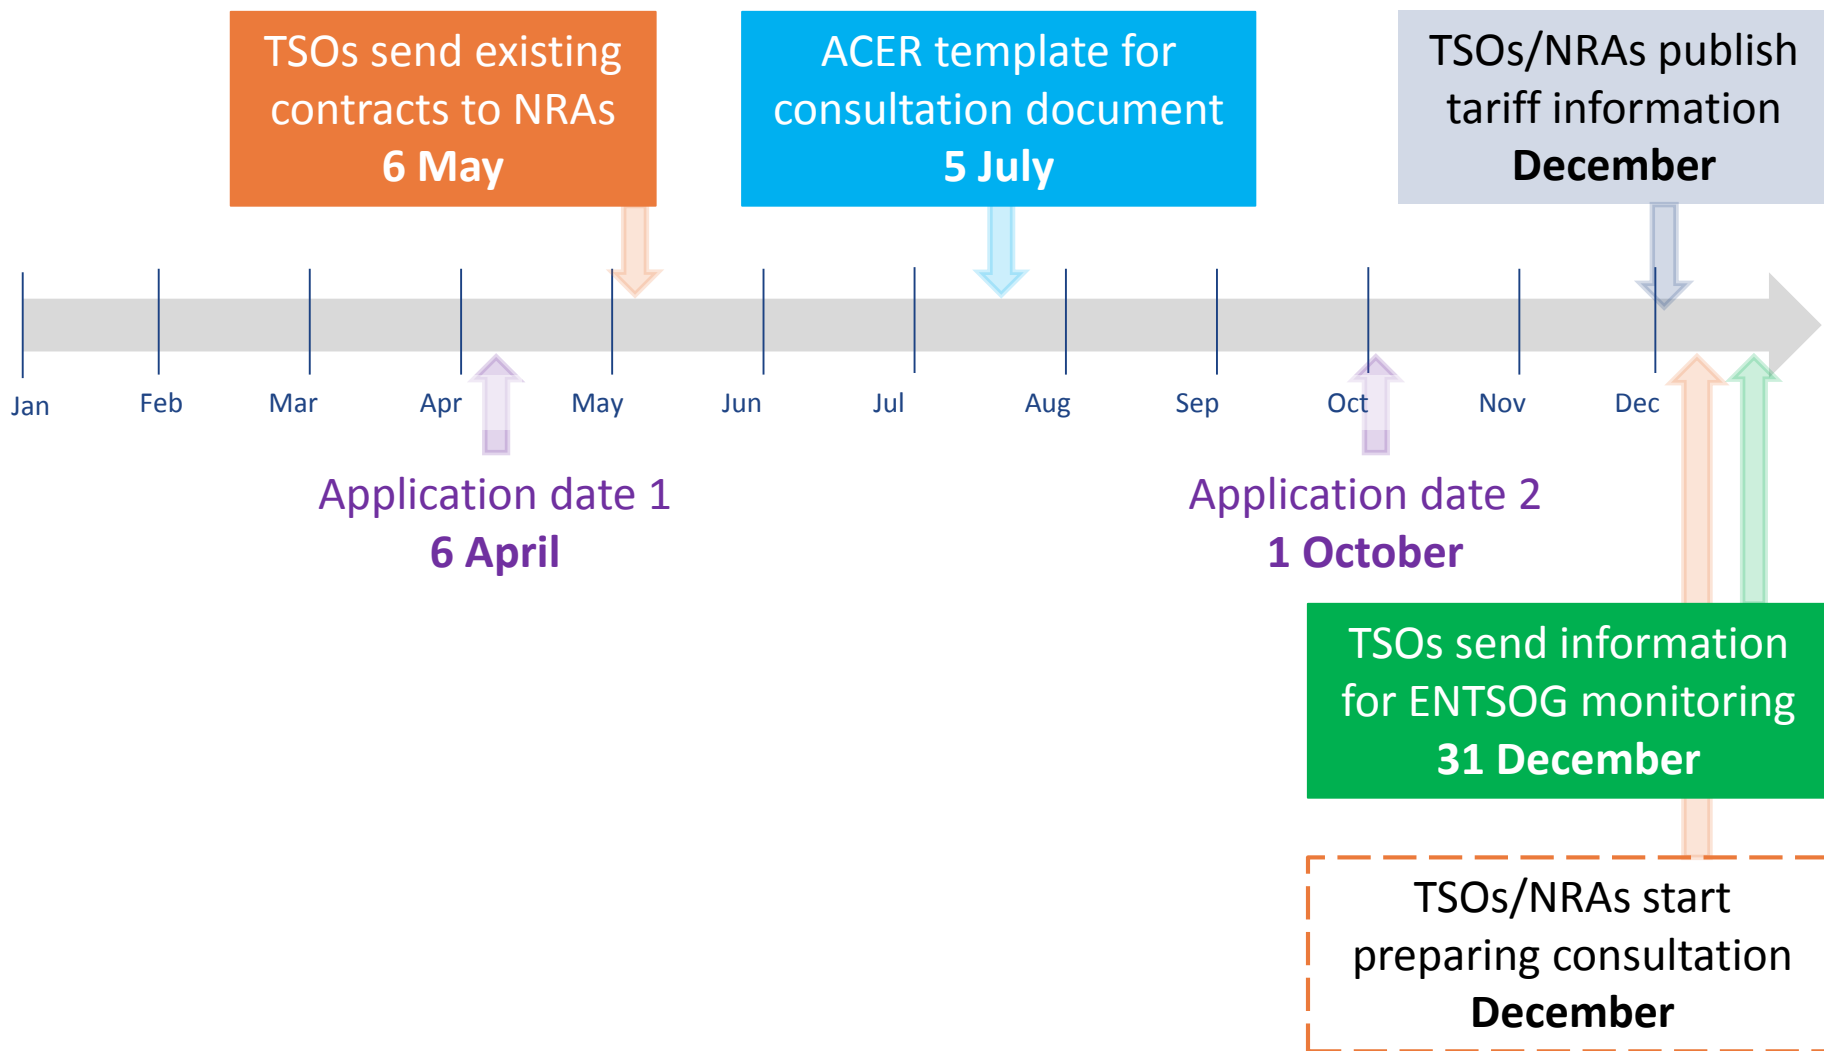

- All NC tasks
- Timeline for each MS

Implementation responsibilities

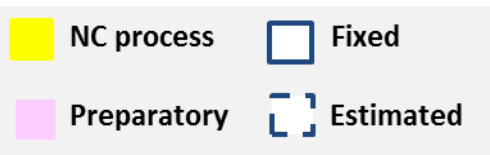

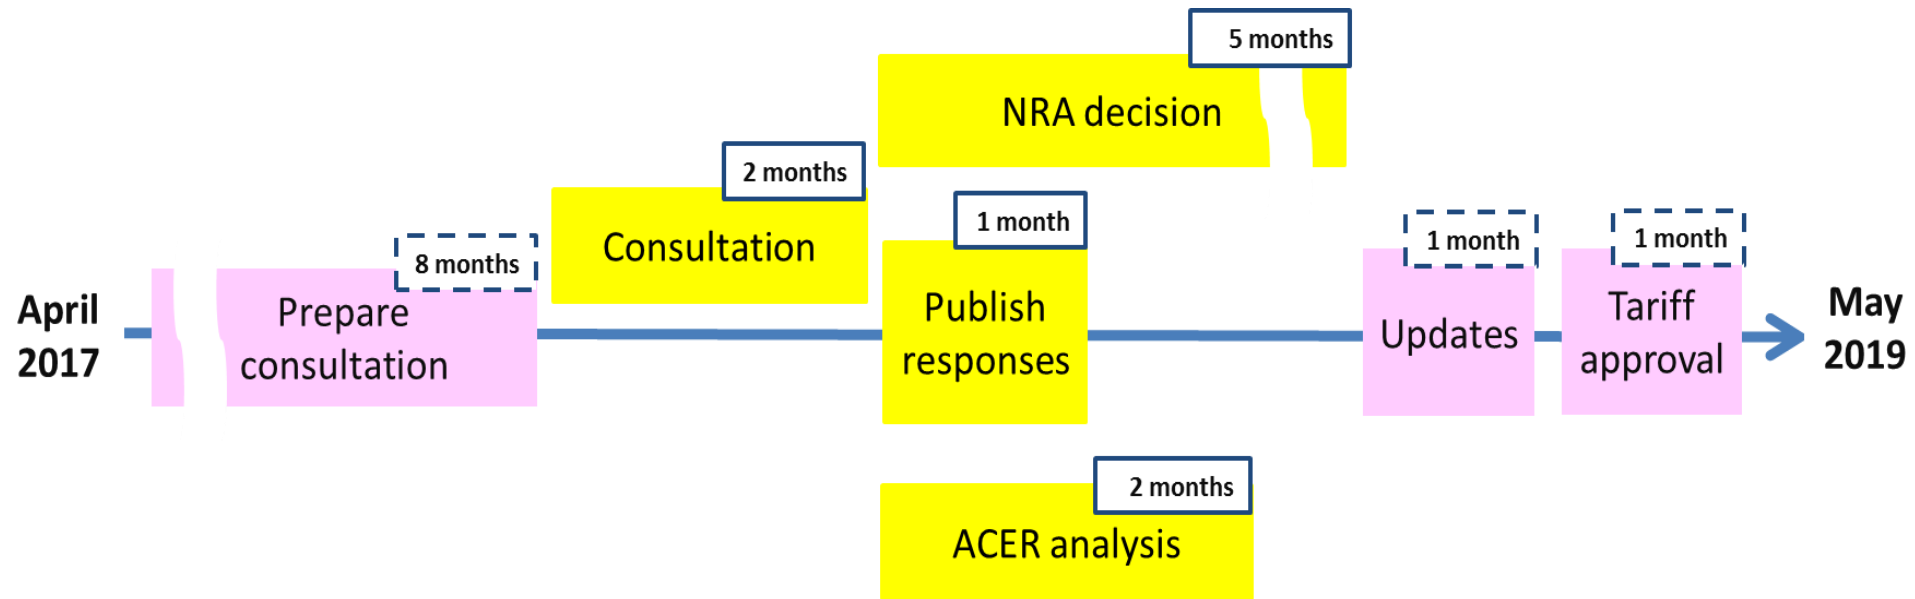

2017

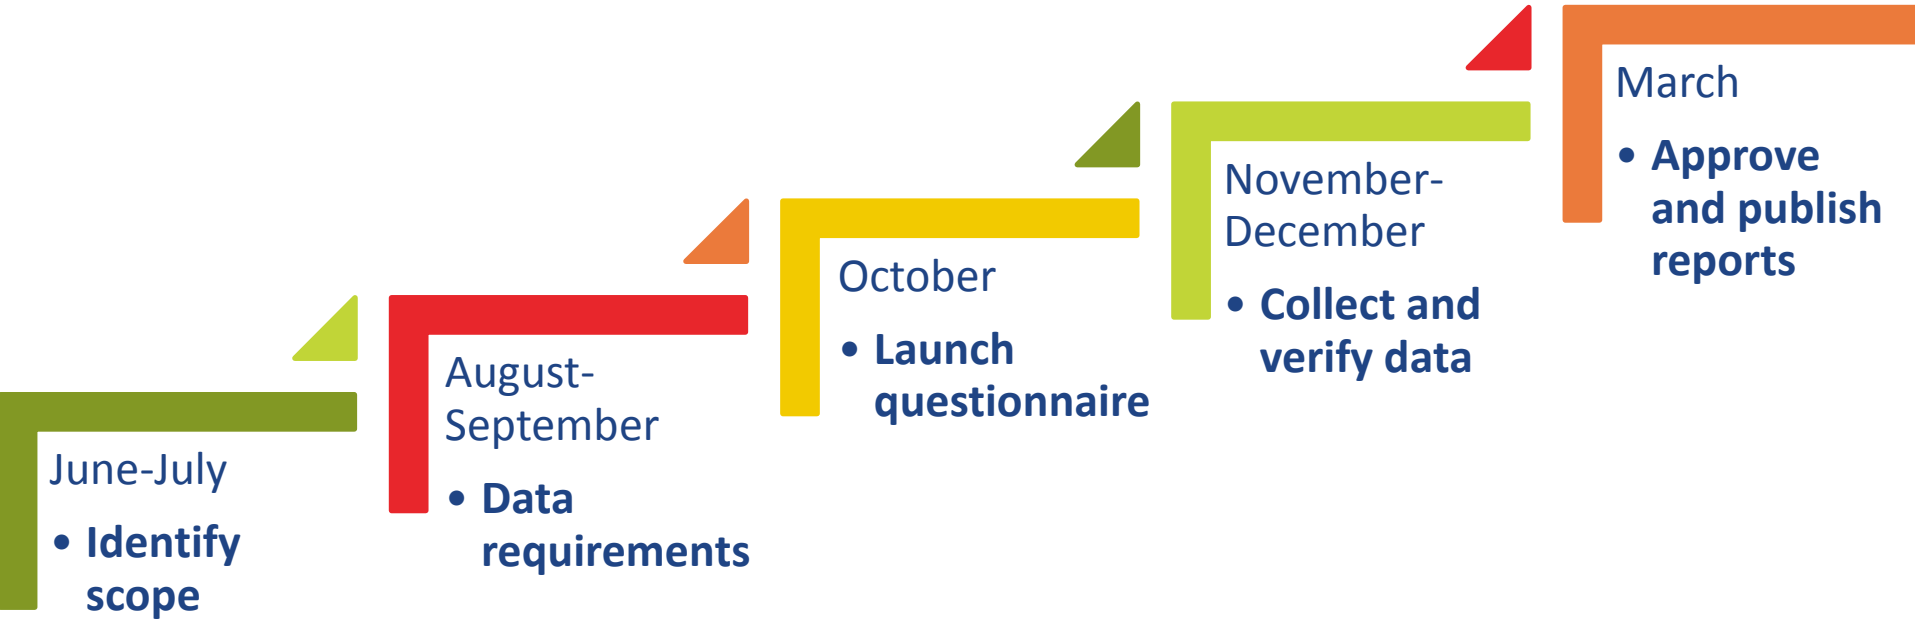

NC milestone – consultation

3. Monitoring

Process

31 March 2018: publication and submission to ACER

Implementation monitoring: what

Publication
requirements

Early
compliance

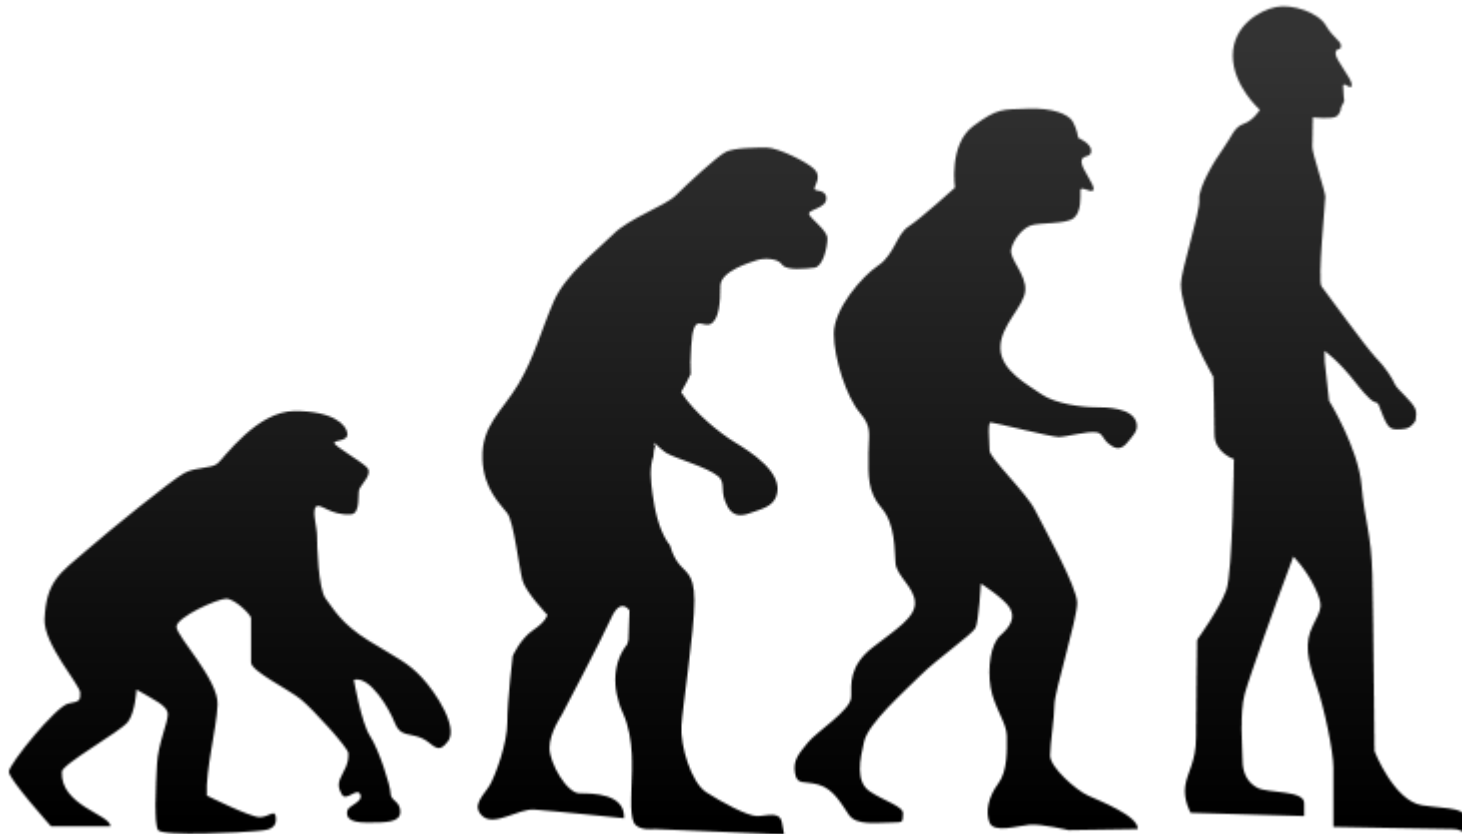

Application dates
1 and 2

Report
2018

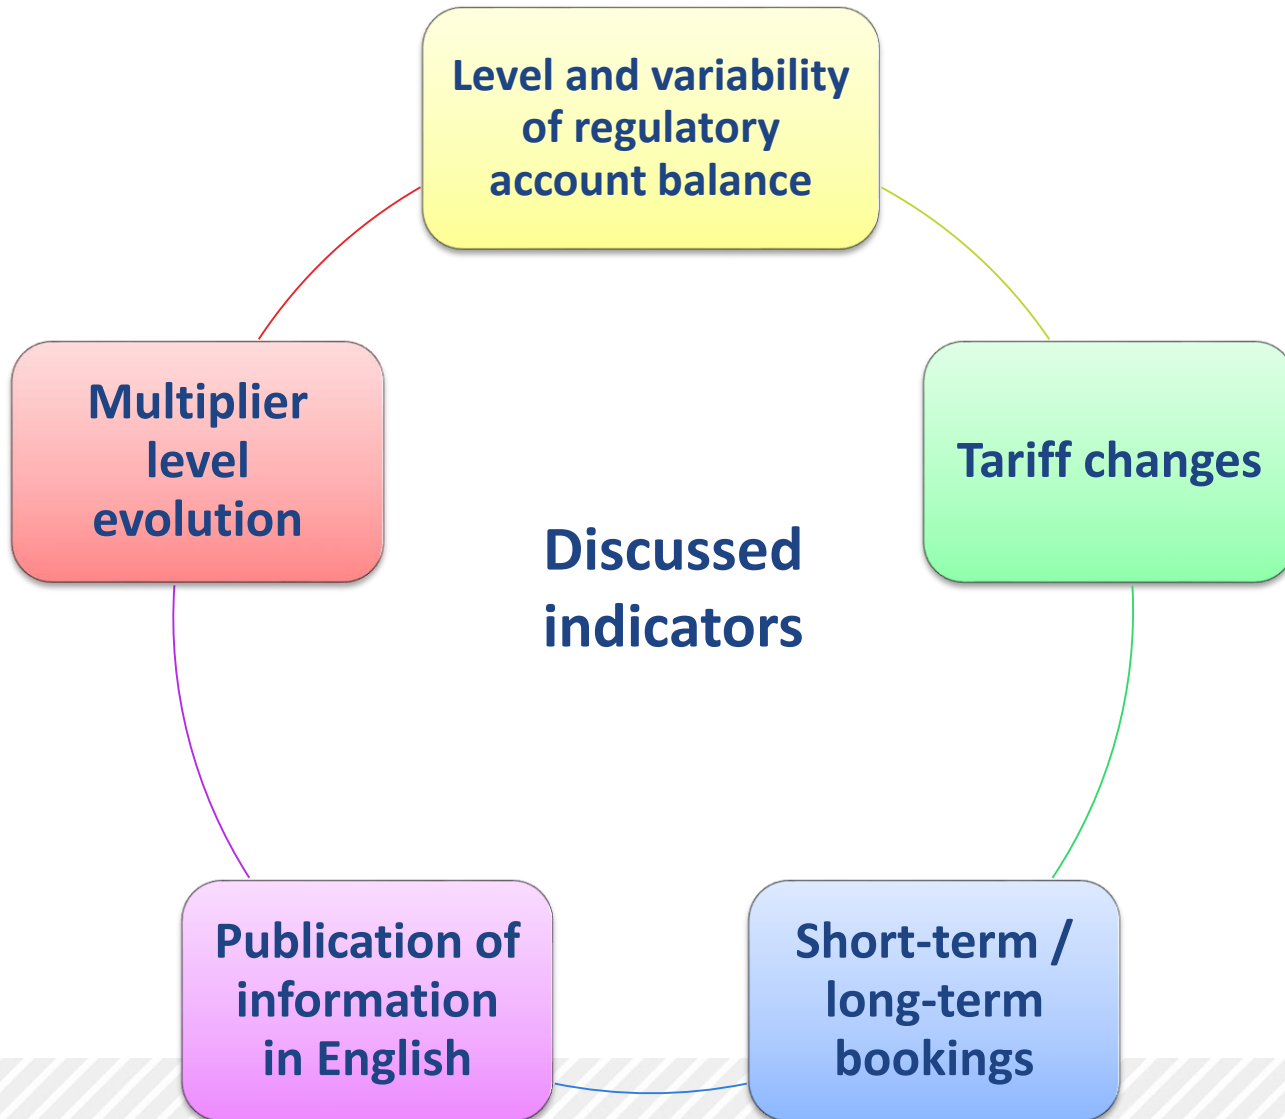

Effect monitoring: why

2018 report – benchmark for future reports

Effect monitoring: how

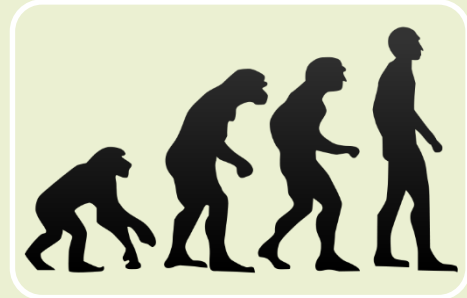

4. Conclusion

Something to take away

**Ongoing
implemen-
tation**

**Expanded
scope for
implemen-
tation
monitoring**

**Benchmark
for effect
monitoring**

Thank You for Your Attention
