

Stakeholder engagement process

A key element of the TYNDP development process

Céline Heidrecheid

Business Area Manager – System Development

The stakeholder engagement process

The stakeholder engagement process: the first step of the TYNDP development process

- > **5 Stakeholder Joint Working Sessions** planned from January to March 2016
- > In parallel, ENTSOG team is available for any bilateral meeting upon participant initiative

The stakeholder engagement process: a key element

- > It will allow to factor the stakeholder contribution in the TYNDP concept, and therefore in the TYNDP assessment
- > The TYNDP concept will be presented in a Public Workshop in April 2016

Stakeholder Joint Working Sessions

- > **11th TYNDP /CBA Workshop (rescheduled) & SJWS#1** => **12 & 13 Jan (Brussels)**
- > **SJWS #2: Input data 2 (Supply) and modelling** => **26 Jan (Brussels)**
- > **SJWS #3** => **9 Feb (presumably Vienna)**
- > **SJWS #4** => **23 Feb**
- > **SJWS #5** => **1 Mar**
- > **12th TYNDP/CBA Public Workshop** => **April (tbd)**

A green L-shaped graphic consisting of two perpendicular bars of equal length, positioned at the top left of the slide.

Stakeholder Joint Working Sessions Programme

SJWS#1 – Input data 1

- > Infrastructure projects: submission of projects and infrastructure levels in TYNDP
- > Demand Scenarios, demand data and cooperation with ENTSO-E on power generation

SJWS#2 – Input data 2, modelling and outputs

- > Supplies
- > Introduction to modelling and outputs

SJWS#3 to SJWS#5

- > Topics to be handled in these SJWS will be further detailed in January

Stakeholder Joint Working Sessions

General process

- > Material will be made available one week in advance by ENTSOG to participants
- > Participants are invited to present material they would want to share
- > Material and minutes will be made available on ENTSOG website after the session

Thank You for Your Attention
