

# **NC/GL implementation and its monitoring**

## **Roles of relevant parties and proposal for a way forward**

**4 May 2017**

## ***Context***

### **All NCs/GLs voted**

– majority entered into force / are applicable

Timely and correct implementation is  
priority for EC

Close monitoring and active involvement of  
EC, ACER, ENTSOs and all stakeholders needed  
as well as the enforcement of NRAs

## *Overview of discussion points*

Correct  
and timely  
implemen-  
tation  
requires

Specific roles and responsibilities of MS, NRAs/ACER, ENTSOs/TSOs and EC requiring close cooperation

Establishment of NC Implementation and Monitoring Group for high-level coordination between ACER, ENTSOs and EC (successor of the previous Planning Group)

Stakeholder involvement to be maintained / further enhanced

Coordinated implementation guidance

## *Specific roles of the parties*

The main parties have different obligations, roles and responsibilities for implementation and for implementation monitoring

- *Obligations, roles and responsibilities are defined for the national, regional and EU levels (3<sup>rd</sup> Package and NCs/GLs)*
- *At national level:*
  - The NCs/GLs place rights, responsibilities and obligations on Member States (Ministries), NRAs and TSOs
  - NRAs are in charge of enforcement of obligations on market operators deriving from NCs and GLs when undertaking their market operations

## *Specific roles – EU-level*

Relevant party	NC/GL implementation	NC/GL implementation monitoring
<b>ENTSOs</b>	<ul style="list-style-type: none"> <li>Platform for TSO cooperation</li> <li>Specific implementation responsibilities defined in NCs/GLs</li> </ul>	<ul style="list-style-type: none"> <li>Implementation monitoring covering all aspects, quantitative monitoring reports and effect monitoring</li> </ul>
<b>ACER</b>	<ul style="list-style-type: none"> <li>Key role in coordinating implementation by NRAs</li> <li>Providing implementation support, esp. via decisions on terms and conditions, methodologies (GLs)</li> </ul>	<ul style="list-style-type: none"> <li>Regular monitoring reports on NCs/GLs implementation, including effect monitoring</li> <li>Regular internal market monitoring identifying barriers</li> </ul>
<b>EC</b>	<ul style="list-style-type: none"> <li>Follow and support the work on implementation</li> <li>Enforcement</li> </ul>	<ul style="list-style-type: none"> <li>Compliance check</li> <li>Overall IEM progress reports</li> </ul>

## *Stakeholder involvement*

Stakeholder involvement to be maintained and further enhanced

- Involvement in Florence and Madrid regulatory Fora
- Involvement in electricity Stakeholder Committees
- Workshops, incl. dedicated to NCs/GLs and specific MS/regions
- Trainings (e.g. Florence School of Regulation)
- Comprehensive information on NCs/GLs on ENTSOs' websites

## *Proposal for a way forward*

### Establishment of Implementation and Monitoring Group

- High-level coordination of NC/GL implementation (transforming the previous Planning Group of ACER, ENTSOs and EC)

### Coordinated implementation guidance

- ACER, ENTSOs and EC to continue providing guidance through existing channels
- Coordinated implementation guidance: questions raised to be channeled and answered in a coordinated manner between ACER, ENTSOs, EC (e.g. via FUNC platform)
- Transparency and follow-up of guidance in relevant fora (incl. FF, MF, Stakeholder Committees)

# Thank you for your attention!
