

## Press Release

### **European Network of Transmission System Operators for Gas (ENTSOG) launches a public consultation on its Annual Work Programme (AWP) 2013**

ENTSOG launches today a public consultation on its Annual Work Programme 2013 aimed at collecting opinions and proposals for further improvement of the report as well as of the respective process.

Vittorio Musazzi, ENTSOG General Manager, said:

*“ENTSOG is happy to submit its draft Annual Work Programme 2013 to stakeholders for consultation. Feedback on this document will help ENTSOG finalize the programme and focus on the most important issues for the next year in order to contribute to further integration of the European gas market in line with the targets defined by the European Commission.”*

The consultation starts today (22 August) and will be open until 30 September 2012.

The AWP draft and the consultation document are available at:
